

Smart Track
Track your Vehicle
Smart Dispatch
Trace your Job

Be rewarded for each successful introduction to Smart Service

i58sr

Do you have business associates who have a fleet of vehicles or mobile workforce? Or do you know companies who need to track their vehicles or trace their jobs?

Help them make their business more efficient by referring them to Smart Service:

- Smart Track – vehicle-tracking service
- Smart Dispatch – work dispatch management service

You will be rewarded for each successful introduction to Smart Service. Simply complete your business associates' particulars and we'll take care of the rest.

Smart Customer Introduction Programme

Every successful introduction you make to Smart Service entitles you to a Smart reward voucher, worth S\$ 100. The more business associates you successfully introduce, the more Smart reward vouchers you will receive.

Smart Reward Voucher
• S\$ 100 Tangs gift voucher

Get Rewarded right now

All you need to do is to fill up the introduction form and return it to us now. There is no limit to the number of introduction you can make.

Smart Service

Smart Track

A web-based **vehicle tracking service** which enables companies to monitor their vehicles through real-time location-based tracking. Company can also retrieve historical tracking information and generate reports for further analysis. Smart Track is easy to use, quick to implement and scalable with your business. No heavy investment in system and equipment is required. All you need is to equip your fleet with our GPS-enabled phone, subscribe to our services and you will be right on track.

Smart Dispatch

A web-based **work dispatch management service** which allows companies to manage their mobile workforce effectively through **real-time job status tracking**. Company can dispatch jobs to their staff, get real-time status update and generate reports for further analysis. Mobile workers are able to access details of job and send notification using the mobile phone. Smart Dispatch brings benefits of streamline process and productivity in a cost-effective way.

Terms and conditions

1. The Smart Customer Introduction Programme 2004 is opened from 1 August to 31 December 2004 and is not valid with other promotional or channel programmes.
2. One Smart Reward Voucher will be issued for every successful introduction of a new Smart customer. There is no limit to the number of new customer to be introduced.
3. The introduction is successful when the new customer subscribes to Smart Track or Smart Dispatch,
 - (a) with a minimum contract of 12-months,
 - (b) with subscription to set-up and monthly company account,
 - (c) within 60 days from our receipt of the introduction form, and
 - (d) directly through STMD (and not through other third-party agents).
4. If two different persons introduce the same new Smart Service customer, only the first introducer who sent the Customer Introduction Form with the successful introduction will be entitled to the rewards.
5. All rewards offered are subject to availability on a first-come, first-served basis and while stock last. ST Mobile Data ("STMD") reserves the right to make any changes to the programme or replace any of the rewards with another item of similar value without any prior notice.
6. Rewards featured are not redeemable for cash and use of the gifts/vouchers will be subject to terms and conditions of the respective supplying companies. STMD is not a supplier of the products or services offered and will not accept any liability in relation thereto.
7. STMD reserves the right to vary, delete or add to these terms conditions from time to time at its discretion and without prior notice.
8. All STMD staff, agents and channel partners are not eligible for this programme.
